Re: Florida Terrazzo

To Whom It May Concern:

Prestige Concrete Products has been doing business, here in Central Florida, with Florida Terrazzo since our inception in 2000.

We value our relationship with Florida Terrazzo as their reputation for high quality workmanship, attention to detail and their ability to get the job completed as expected is well know throughout Central Florida.

Further, Florida Terrazzo has always taken advantage of prompt payment Discounts and they address any problems expeditiously and resolve them Amicably.

Prestige is proud that Florida Terrazzo has selected us as one of their major Vendor's and we look forward to a continued relationship with them.

Should you have any questions or require any additional information, please contact me

Sincerely,

**Jorge Wagner
President
